Note 1: The following note is applicable for the whole report.

The headcounts for each cohort are the original numbers that were reported to IPEDS for Fall Enrollment. The headcounts might be larger than those reported in the IPEDS Graduation Rate Survey 150% (GRS) as the numbers of the GRS were adjusted to remove deceased students and students with military or religious obligations.

Note 2: The following note is applicable for the "Returned after 3rd Fall" retention rates.

The "Returned after 3rd Fall" includes students who did not return the fall of their junior year but did return in a semester after their third fall.
