Hello Student Organization Leaders!

Below is the Student Organization Newsletter for the month of May. We are so proud of you all for navigating this unpredictable year, and we can't wait to return to our in-person Student Org Fair on Greene Street and leadership opportunities like the Student Org Breakfasts in the fall. Good luck on finals, and please reach out to us at lsc@sc.edu or 803-777-7130 if you have any questions or if there is anything that you need.

Garnet Gate Roster Update

Verified records of student organization memberships are collected in each student's [My UofSC Experience](#), a university platform which records the many experiences both for credit and not for credit that students engage in while at UofSC.

In order for your organization members to have their involvement included in **My UofSC Experience**, it is your responsibility as an organization to verify your roster is up to date for Spring 2021 and that it reflects your active membership. The accuracy and integrity of these student records is essential. Only records of membership that have been verified will be collected in **My UofSC Experience**.

Student Org Awards and Recognition

Has your organization won any awards from the University of South Carolina or external organizations this year or won any competitions against other universities? Let us know! We are looking to feature student organizations on our Instagram page to highlight your achievements from this year. Please reach out to kaylay@email.sc.edu if you have any news to submit.
